WHAT IS RESONANCE2025?

RESONANCE2025 is 3-day conference that will explore spaces for dialogue, connections and relationships, between the Spiritual and the Secular in the Canadian context. A bilingual event offering French to English & English to French simultaneous translation.

WHY IS RESONANCE2025 IMPORTANT?

Balancing different spiritual beliefs in a secular world can challenge genuine communication and justice making, even when shared values align.

RESONANCE2025 is an invitation to explore how the secular and the spiritual can come together and inform one another in modern spaces of Resonance: *work, family, art, religion and nature.*

WHO IS BEHIND RESONANCE2025?

Resonance 2025 is a collaborative effort of Montreal City Mission, St. James United Church and the Nakonha:ka Regional Council. The leading partner is Montreal City Mission, which is a dynamic mission within the United Church of Canada dedicated to justice, inclusion and empowerment.
